

Remarks

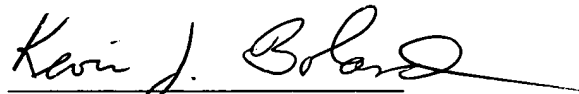

In the Office Action the Examiner has set forth two election of species requirements. The first election requires election of a single species from the group of pyrethroids and the second election requires election of a single species from the group of neonicotinoids.

For the first election, applicants hereby elect bifenthrin. For the second election, applicants hereby elect imidacloprid.

Applicants submit that claims 1-5, 10-14, and 19-23 are readable on both elected species.

Should the Examiner have any questions, the Examiner is invited to telephone applicants' undersigned representative.

Respectfully submitted,

Kevin J. Boland, Esq.
